

Baseball Concession Stand Workers 2017 Assignments

If your game is rained out and then gets rescheduled, it would be helpful if you planned to work the rescheduled date. If this is a problem for scheduling please let Teri Deal or Coach M know so replacements can be found. Also, not to be sexist, but we do need an individual to run the grill each night, this has generally been handled by a dad. This means one of our volunteers needs to feel comfortable with tongs, raw meat & fire. 2/17/17
