

Mohawk Baseball Dugout Project

Steve Knipp Memorial

Mohawk Baseball program is now selling “Engraved Bricks” as part of the Steve Knipp Dugout Project. The bricks will be part of the brickwork that will be included in the Dugout/Pressbox improvements at Memorial Field. Below are options for making your name/accomplishment/quote a permanent part of the memorial by purchasing engraved bricks. This is NOT designed to be a primarily a fundraiser, the bricks are being made available at just slightly over cost, but rather to be included in the brick work that will decorate and enhance the outside of the new Dugout. This is an opportunity to recognize the countless contribution by individuals and groups to Mohawk HS, Legion, and PMRA Baseball over the past 60 years. This is presently designed to be a one-time event, so at least in the present plan, it is a now or never option.
